IQAC Meeting for Curriculum Planning 2022 – 2023

28.09.2022

Spoken English

English is an important language for all kinds of professional and personal goals. English can help the students' progress in life both personally and professionally. Enhanced communication skills in English can result to not only an improved social life, but also better job opportunities in the future. From job interviews to the actual professional world, communication skills are very crucial, In order to cater to the demands of regional language medium students in their efforts to get good jobs in the corporate world, and as per the demands of parents and students our college provides opportunity for the first year students to speak English. For the planning organization of value based curriculum adapting to the local environment, IQAC meeting was held on 16th August 2022.

Decisions

Date: 12th September to 8th October 2022

Facilitator: Mr. Gracious JM (M.sc, M.sw, Pgdgc, LLB, Ph.D)

Objectives:

- The emphasis should be on functional English usage exercises.
- The syllabus should focus on practical oriented exercises and real life situations.
- To train the students being proficient in English i.e. Being able to communicate clearly and effectively.

Training in Computer Education

The role of computer in teaching activities is becoming more important because world is in a continuous and rapid modernization. The computer plays an important role in teaching and learning process. We live in a world where changes are made with high steps, and we must keep up with them. The computer can be used in teaching-learning of play form, drawing the children. Computer use in school has and will have a great role in the presentations of lessons, and for communication and information. Teachers often used computers to update subject knowledge and teaching skills, develop lesson plans, prepare additional instructional material, notify relevant information via internet. . For the planning organization of Bridge Course, IQAC meeting was held on

Decisions

Facilitator: Mr. Jelial Singh
